

The NHS Northern
ESTATES TRAINING ADVISORY GROUP

Present a one-day conference on:

VENTILATION

to be held on

FRIDAY, 3RD JULY 2015

at

**THE WRIGHTINGTON HOTEL & COUNTRY CLUB,
The Wrightington Suite, Moss Lane, Wrightington,
near Wigan, Lancashire, WN6 9PB**

Specialist healthcare ventilation systems are being scrutinised ever more. The CQC are now taking an increasing interest in the management, operation, maintenance, validation and re-verifications of such plant. Have you an audit control system in place? Are your re-verifications more than just a tick-box exercise? Do you employ an Authorising Engineer (Ventilation)? Are you aware of the formulation of an AE(V)'s society? Do you have plans to upgrade theatres? Do you know what manufacturers are getting right and where things are going wrong, and that some manufacturers are still supplying non-compliant AHU's?

Maintaining a healthcare ventilation plant is a role that continues to increase in its complexity due to ever increasing demands, reducing cost and modernising NHS. Surgery that was once undertaken solely in an acute sector theatre suite may now be undertaken in an X-ray interventional room or a minor procedure room in a community setting. All must provide a safe environment and minimise the risk of infection. If you are responsible for the implementation, maintenance and validation of specialist ventilation systems whether these are full blown Ultra Clean Ventilation Theatres (UCV's), standard or minor procedure rooms, then this conference is for you!!

Listen to leading authors of HTM 03-01 Specialist Ventilation for Healthcare Premises and a renowned microbiologist on theatre infection control issues. This event will increase and expand your existing knowledge base and is a must-attend event for anyone with responsibilities for specialist ventilations systems within the healthcare environment.

THIS CONFERENCE WILL BE OF SPECIAL INTEREST TO ESTATES AND FACILITIES PROFESSIONALS, INFECTION PREVENTION AND CONTROL SPECIALISTS AND THOSE WHO ARE INVOLVED IN CAPITAL SCHEMES REFURBISHMENT, MAINTENANCE AND ENERGY MANAGEMENT, THOSE WHO HAVE RESPONSIBILITY FOR ENGINEERING SERVICES, HOSPITALS AND PUBLIC BUILDINGS.

WE ARE EXPECTING THIS CONFERENCE TO BE FULLY SUBSCRIBED. IF YOU WISH TO ATTEND, PLEASE COMPLETE AND SEND IN AN APPLICATION FORM AS SOON AS POSSIBLE.

The cost of attending the conference is £125.00 per person OR £100.00 per person if two or more attend from the same Trust/Organisation. This includes attendance at the conference, course handouts, coffee/tea on arrival, mid morning coffee/tea and a two-course lunch.

VENTILATION

FRIDAY, 3RD JULY 2015

DELEGATE BOOKING FORM
