- ◆ **On Mike Bellas:** A welcome update on future developments
- ◆ **On Peter Handforth:** Peter puts the complex into easy to understand language and presents it with a charm that is very welcome
- ◆ **On Paul Hudson:** Very interesting and made me aware of areas of gas testing that sometimes gets missed
- ◆ **On Shaun Higson:** Clear, concise and definitive advice on fire safety responsibilities
- ◆ **On Wayne Spencer:** An eye opener into the complexity of endoscope decontamination
- ◆ **On Malcolm Thomas:** Very current and informative subject matter delivered
- ◆ **On The Overall Day:**
 - ◆ Very well put together, covered a range of topics to suit the breadth of experience in the room
 - ◆ Good day, took a lot of relevant information away with me
 - ◆ Extremely well organised
 - ◆ Good setup, would come again

THANK YOU FOR ALL YOUR COMMENTS
