Patient safety is at the heart of what we do within the NHS. The MODEL Hospital has been presented by Lord Carter in his recent interim report and Estates will lead the way in making the comparisons and savings across the Estate.

Detailed compliance audits are the norm, as the regulators, the CQC, Internal Auditors or the HSE are having to ensure they are fully aware of what is happening within the Trust's leaving no stone unturned. Healthcare premises are at the forefront of this new drive towards compliance as they are totally reliant on the quality of their facilities and services in order to provide a safe patient environment. To deliver such high expectations your organisation must have suitably qualified and competent staff cognisant with the wide ranging statute , guidance and codes of practice.

To assist, the Estates Training Advisory Group have organised this one day conference with topics that aim to keep you on track in relation to some essential areas of statutory compliance and legislation.

If you are responsible for the healthcare estate this conference is a **MUST** for you and your organisation - you will receive the latest updates from renowned specialists in their respected fields ensuring you have the latest knowledge and insight. *Plus the chance to network with colleagues across the NHS.*

WE ARE EXPECTING THIS CONFERENCE TO BE FULLY SUBSCRIBED. IF YOU WISH TO ATTEND, PLEASE COMPLETE AND SEND IN AN APPLICATION FORM AS SOON AS POSSIBLE.

The cost of attending the Conference is **£125.00 per person OR £100.00 per person if two or more attend from the same Trust/Organisation.** This includes attendance at the Conference course handouts, coffee/tea on arrival, mid morning coffee/tea and a two-course lunch.
